Description

Tucked away in a peaceful nook in St. George is this contemporary family home sitting on 3.5 acres in an elevated location and offering fabulous views of the countryside. The property offers 4 bedrooms each with private bathrooms and walk in closets, spacious kitchen with generous built in cupboards, granite counter tops and open concept sitting/living room.

There is also a large, covered patio leading onto the heated swimming pool with an open deck, powder room and wet bar. This leads onto another covered dining terrace overlooking the grounds. The lower level on the eastern side hosts one of the four spacious bedrooms as well as a large family room, while the lower level on the western side hosts the laundry, storeroom and staff facility which also leads to the gardens.

This home is beautifully designed by Michael Gomes Architecture and boasts of much charm and character.
