Description

Welcome to this charming two-story house nestled in a peaceful neighborhood on the Easterly side of the island. As you enter the foyer, your eyes are drawn to the sunken living room on the right, offering a cozy retreat for relaxation or gatherings with loved ones. Adjacent to the living room, you'll find a convenient powder room, perfect for guests.

Venturing further, the heart of the home unfolds into a spacious, yet quaint, dated kitchen adorned with ample cabinetry and tiled countertops. A door off the kitchen leads to the garage, providing easy access for groceries and everyday tasks. Beneath the staircase, a discreet laundry area efficiently maximizes space, ensuring household chores remain effortlessly manageable.

The dining area, bathed in natural light, seamlessly integrates with the kitchen, fostering a warm atmosphere for shared meals and lively conversations. An adjacent room offers versatility as a home office, providing a tranquil haven for work or reflection.

Ascending the staircase to the second floor, you'll discover four bedrooms, each offering a peaceful retreat for rest and rejuvenation. The master suite with ample cupboard space and ensuite bathroom also has a small private patio. One other bedroom has an ensuite bathroom while a shared bathroom separates the 2 smaller bedrooms.

Outside, the property is mostly enclosed, with the property only missing the driveway gate. Within the garage, additional storage space and a powder room cater to practical needs, further enhancing the home's functionality.
