Description

Located within walking distance to Sheraton Mall and sitting in a well-established neighbourhood that has an active Neighbourhood Watch program is this 3-bedroom 2-bathroom home.

This home has been altered from its original state to become 2 small apartments. Unfortunately, this work was not completed and it would be more beneficial to put it back to its original home layout.

The 3 bedrooms are in the east with the middle bedroom having a loft. There is security grill work throughout the home. Bay windows adorn the living room and one of the bedrooms, the sizeable kitchen has a breakfast bar and there is an office.

Outside

Outside is laid mainly to lawn with 2 driveways and is in a peaceful and quiet cul-de-sac.

SALE PRICE: BDS\$325,000 – US\$162,500
